

### **Client Testimonial**

Everything Ibiza really do live up to their name! We recently purchased an apartment in Ibiza and Everything Ibiza were so helpful at every stage of the process, not only as agents for the sale but also providing contacts with banks and solicitors and at each step patiently offering advice on how to get things done. On top of that they seem to know where everything is .. car hire, good budget accommodation when we visited, the best beaches, restaurants, shops ... we've yet to ask them a question that they can't answer about Ibiza! But its not just what they know, the bonus is that any enquiry is handled in such a friendly and efficient way. For anyone either visiting for a holiday, or contemplating buying in Ibiza, we would really recommend that you get in touch with Everything Ibiza.
